Patrol Division

10OCT12

TO: 008th District Commander
FROM: P.O. Kristopher Jaros #9295
SUBJECT: Required Witness Report from Department Member
LOG#1049886

This statement is not being given voluntarily, but under duress. I am only given this statement at this time because I know that I could lose my job if I refuse the direct order being given to me. This TO/FROM report should not be considered verbatim but rather a summary of requested information.

On 03NOV11 this R/O was working full duty status and dressed in full uniform. R/O was on 3rd watch assigned to beat 834 in a marked vehicle with his regular partner, P.O. J. Meehan#10608. R/O and his partner responded to a Man With A Gun Assignment in the vicinity of [REDACTED].

At the time of R/O's arrival the offender was on the ground and already detained by first responding unit 852. While on scene, this R/O was standing next to the offender and observed no physical contact between the offender and any department members on the scene.

Prior to this date, this R/O has had no encounters with this offender and did not know the offender on any level. R/O does believe, from prior experience with subjects in this state that this individual/offender was indeed under the influence of narcotics and a danger to himself and the community at the time of his arrest.

At no time did this R/O observe any department members on the scene deviate from any of the rules and regulations set forth by the Chicago Police Department. All the events which occurred in regards to this arrest were documented under RD# [REDACTED] and reviewed by this R/O.
